GENERAL UNIVERSITY REQUIREMENTS

Undergraduate Major Map

See your Panther Degree Audit (PDA) for a real-time update on your academic career progress and additional information on University and major requirements at <http://my.fiu.edu>.

(1) UCC: Students must meet the University Core Curriculum (UCC) requirements. For a full list of UCC courses, see <http://undergrad.fiu.edu/advising/university-core-curriculum.html> or speak with your advisor. Students requesting to be transient must receive permission from the Dean of Undergraduate Education.

(2) Global Learning: Freshmen entering FIU Summer B 2010 or later must take at least two Global Learning (GL) designated courses at FIU. See <http://goglobal.fiu.edu>. Courses must be:

- 1 GL foundation course, which must be taken from the University Core Curriculum (UCC).
- 1 GL discipline-specific course (3000/4000 level)

(3) Summer Hours Requirement: All students entering FIU or any university within the State University System (SUS) of Florida with fewer than 60 credit hours are required to earn at least nine credit hours prior to graduation by attending one or more summer terms at a university in the SUS.

(4) Gordon Rule: All Gordon Rule courses (i.e., UCC Communication, UCC Mathematics, and Gordon Rule with Writing (GRW) courses) must be completed with a minimum grade of "C." This requirement must be fulfilled within the first 60 credits. Students are required to complete at least two Gordon Rule with Writing (GRW) designated courses.

(5) Foreign Language Requirement for Graduation (FLENT/FLEX): A student who did not complete two years of the same foreign language in high school or at a post-secondary institution must successfully complete 8-10 credit hours of instruction in one foreign language prior to graduation. Exceptions include appropriate CLEP, AP, IB, TOEFL, or transfer credit. Contact your advisor for more information.

(6) UCC Mathematics: Math courses are categorized into either Group One or Group Two. One math course from each group is required unless the first math taken is from Group Two and has an immediate prerequisite in Group One. In this case, students will take two Math courses from Group Two. However, one of the two Math courses must have a MAC, MGF, or MTG prefix.

College of Communication, Architecture + the Arts: Selected BFA Art Major Requirements

Academic Standards

To progress into upper-division BFA in Digital Arts Major courses, students must complete the four lower division foundation courses (12 credits) with a minimum GPA of 2.75 or greater in two attempts or fewer.

These courses include:

ART 1201C 2D Design

ART 1203C 3D Design

ART 2300C Beginning Drawing

ART 2330C Beginning Figure Drawing

Drops after the add/drop period, which result in a DR grade are considered an attempt in the course and count as an unsuccessful enrollment.

Students who do not satisfy this requirement will be advised to change major to other degrees such as BA in Art History or BA in Interdisciplinary Studies.

In all other major courses students must earn a grade of "C" or higher.

This four-year plan assumes that students will already have satisfied FIU's foreign language requirement.

Students take twenty-seven (27) credits in studio and Art History classes, with a maximum of twelve (12) credits in Art History.
