## General Requirements

## Undergraduate Major Map

---

\*Critical Indicator is the minimum grade indicated in specific courses to demonstrate proficiency and progress in major. Earning less than the minimum grade is a trigger for a conversation with advisor\*

### GENERAL UNIVERSITY REQUIREMENTS

See your Panther Degree Audit (PDA) for a real-time update on your academic career progress and additional information on University and major requirements at <http://my.fiu.edu>.

(1) UCC: Students must meet the University Core Curriculum (UCC) requirements. For a full list of UCC courses, see <http://undergrad.fiu.edu/advising/university-core-curriculum.html> or speak with your advisor. Students requesting to be transient must receive permission from the Dean of Undergraduate Education.

(2) Global Learning: Freshmen entering FIU Summer B 2010 or later must take at least two Global Learning (GL) designated courses at FIU. See <http://goglobal.fiu.edu>. Courses must be:

- 1 GL foundation course, which must be taken from the University Core Curriculum (UCC).

- 1 GL discipline-specific course (3000/4000 level)

(3) Summer Hours Requirement: All students entering FIU or any university within the State University System (SUS) of Florida with fewer than 60 credit hours are required to earn at least nine credit hours prior to graduation by attending one or more summer terms at a university in the SUS.

(4) Gordon Rule: All Gordon Rule courses (i.e., UCC Communication, UCC Mathematics, and Gordon Rule with Writing (GRW) courses) must be completed with a minimum grade of "C." This requirement must be fulfilled within the first 60 credits. Students are required to complete at least two Gordon Rule with Writing (GRW) designated courses.

(5) Foreign Language Requirement for Graduation (FLENT/FLEX): A student who did not complete two years of the same foreign language in high school or at a post-secondary institution must successfully complete 8-10 credit hours of instruction in one foreign language prior to graduation. Exceptions include appropriate CLEP, AP, IB, TOEFL, or transfer credit. Contact your advisor for more information.

(6) UCC Mathematics: Math courses are categorized into either Group One or Group Two. One math course from each group is required unless the first math taken is from Group Two and has an immediate prerequisite in Group One. In this case, students will take two Math courses from Group Two. However, one of the two Math courses must have a MAC, MGF, or MTG prefix.

### College of Communication, Architecture + the Arts: Selected Major Requirements

Freshman/Sophomore admission requires an audition and placement test in Music Theory. Contact the Department of Music at (305) 348-2896 for an audition appointment.

The minimum passing grade for any music course taken by music majors is "C". Individual sub-plans require higher grade minimums for certain courses. All minimums are indicated above.

This four-year plan assumes that students will already have satisfied FIU's foreign language requirement.

**CONCERNING MUSIC LITERATURE:** Wind and Brass students must take BOTH Symphonic Literature and Wind Literature. String players must take Symphonic Literature. Guitar Players must take Guitar Literature.

**CONCERNING ELECTIVES:** MUH4680 (Music History Seminar, offered every Spring), MUT3770C (Jazz Theory I, offered every even Fall), and MUT3171C (Jazz Theory II, offered every odd Spring) may also be used to satisfy the Academic Music Elective Requirement. Pacing of other electives is a suggestion; for example, depending on choices available, a student may prefer taking more electives in Fall Four and fewer in Spring Three. In general, please consult closely with your Area Coordinator when choosing music electives.

This document only lists SELECTED requirements. See your Panther Degree Audit for all CARTA and major requirements at <http://my.fiu.edu>.
